1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

Carolina Water has provided water service to my home for 15 years and the water quality is horrible. We have complained and no improvements made

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

The quality of water in our neighborhood, Forty Love development in Chapin, is awful. The water is brown, leaves stains in bathroom fixtures, sinks, fridge, etc. The shower and bathtub are left with water stains that cannot be removed. Drinking glasses are stained and cannot be cleaned. The water does not taste good. We have complained numerous times and no improvements are made. We also do not have enough water pressure to take showers.

Carolina Water should not be allowed an increase until they can prove to provide quality water.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *
(This section should be completed.)

I will if necessary
